

Valencia, 29th October, 2017

Dear colleagues:

As you know on February the Technical School of Building Engineering (E.T.S.I.E.)¹ organizes The Technology Building Exhibition² EXCO'18 within the planned activities in the CEVISAMA³ International Exhibition, which has been held every year in the Valencia Fair Trade Center.

Therefore from the direction of the EXCO'18, we are organizing many activities among which are technical conferences, colloquiums, workshops, technology demonstrations, Final Project defenses and teachers exhibitions.

From the EXCO'18 committee we are pleased to invite you to participate in the scientific exhibition that will be performed in the CEVISAMA International Exhibition.

This year, the exhibition will be presented at several International Universities throughout 2018, which will have an international character.

The dates and guidelines for Communications as well as the templates for text communications (Docx), and Posters (PPT) have been sent in attachment " EXCO18-TEMPLATE Letter INTERNATIONAL.pdf".

Best Regards

Prof. Dr. Ing. José Ramón Albiol Ibáñez
Director EXCO'18
