

Valencia, 29th October, 2018

Dear colleagues:

One more edition we are writing to you to communicate that the week of January 28th to February 1st, 2019, the Faculty of Building Engineering (ETSIE¹), organized the “XXXIII Construction Technology Exhibition EXCO’19” within the activities foreseen in the CEVISAMA³ International Exhibition, which is held year after year within the Valencia Fair.

From the direction of the EXCO, and following the good work of previous editions, various activities are being organized, among which are technical conferences, colloquia, workshops, technological demonstrations, defenses of T.F.G. and exhibitions of distinguished national and international building and construction experts.

From the EXCO committee we invite you to participate in the "XXXIII Technological Building Exhibition" EXCO’19 and in its International Traveling Exhibition "Research in Building Engineering EXCO’19".

Thank you all for your participation in 2018, where the International Research Exhibition in the building sector, contributed 148 scientific contributions made by 333 interventions of researchers from the following participating Universities:

1. Universitat Politècnica de València, Spain.
2. Nottingham Business School, England.
3. Civil Engineering Faculty, Vilnius, Lithuania.
4. University of Costa Rica
5. Università degli Studi di Basilicata, Matera, Italy.
6. Technological University of Havana José Antonio Echeverría, Cuba.
7. University of Florence, Florence, Italy
8. University of Pavia, Pavia, Italy
9. Odessa State Academy of Engineering & Architecture, Odessa, Ukraine
10. Politecnico di Milano, Italy.
11. University of Salerno, Italy.

12. Silesian University of Technology, Gliwice, Poland.
13. University of British Columbia, Vancouver, Canada.
14. University of Alcalá de Henares, Madrid, Spain.
15. Florida A & M University, Florida, USA.
16. Mimar Sinan University, Istanbul, Turkey.
17. Universidad Mayor de San Andrés, La Paz, Bolivia.

In the previous edition we were inaugurating the exhibitions at the universities of Milan (Sept'18), Gliwice (oct'18), Odessa (oct'18), Vilnius (Nov'18), Havana (nov'18), hopefully expand it for 2019.

It is attached to the mail, the dates and the delivery form of the Communications (Country language and English), as well as the templates for the Communication Text (Docx), and for the Poster (PPT).

Thanks for your cooperation and enjoy with EXCO'19
Best Regards
